 Text: Arial 10

1.0 INTRODUCTION

1.1. General Information

The proceedings of the conference are to be printed by the start of February 2010 and the proceedings will be given to the registered participants on the first day of the Conference along with the conference kit. Manuscripts previously submitted or accepted elsewhere for publication must not be submitted. A certificate on the following lines is to be submitted by the main author together with the manuscripts.

"This is to certify that this paper has not been published and is not being considered for publication by any other organisation or journal and that myself or one of the co-authors will present the paper at the RAMTM 2010 conference".

2 blank lines with font size 10

2.0 SUBMISSION OF TECHNICAL PAPERS

Papers are invited from prospective authors in any of the above topics. Papers should address new and significant advances in research and development in Recent Advances in Manufacturing Technology and Management associated with the topic as well as the current and emerging needs of industry. All papers are to be limited to a maximum of **6 pages** including figures, tables and references. Full papers, as per the format, are to be submitted electronically using Microsoft Word (MS-Word 2003) document on or before **October 26th, 2009**. Acceptance of papers for presentation as well as inclusion in the proceedings will be intimated after peer review, on or before **11th December 2009**. In case of any revision, the final revised paper should reach before **11th January 2010**. Soft copy of the paper should be sent by email as a MS Word file attachment to ramtm2010@gmail.com or ramtm2010@yahoo.in

3.0 EQUATIONS AND SYMBOLS

When numbering the equations, enclose the numbers in round brackets and place them on the right-hand margin of the column.

$$R_a = (R_1 + R_2 + \dots + R_3) / n \dots \dots \dots (1)$$

4.0 ILLUSTRATIONS

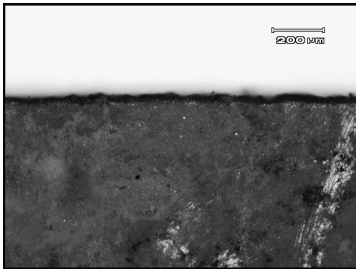

Fig. 1 Microscopic view of the cutting edge

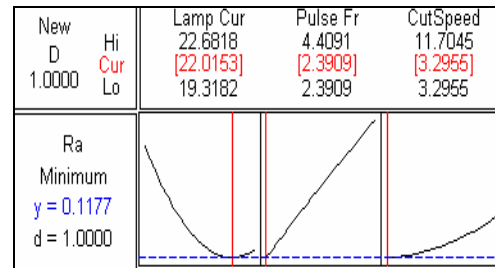

Fig. 2 Optimization results of surface roughness.

4.1. Figures and photographs

Line drawings and black and white photographs must be placed as close to their first reference in the text as possible. All line drawings are to be directly brought into the text or scanned into the text.

4.2. Tables

Table 1. Conference Program

Date	Time	Event
19.02.2010	9.30 - 10.00 am	Registration of delegates
	10.00 - 11.15 am	Inauguration of the conference
	11.15 - 11.30 am	High Tee

5.0 REFERENCES

All citations in the text should contain the author name followed by year of publication. For example Single author papers can be cited in the text as (Bachmann, 1990) or "Bachmann (1990) suggests.....". Similarly papers with two and more authors are cited as (Chen and Darling, 2005.) and (Riccardi *et al.*, 1988.) respectively.

In the references list, references should be arranged first alphabetically and then further sorted chronologically if necessary. More than one reference from the same Author(s) in the same year must be identified by the letters "a", "b", "c", etc., placed after the year of publication.
